

## Euro Catalysis 2020 Young Research Forum (YRF) Awards at Portugal

**Radhey Srivastava**

Professor, Department of Chemistry, The University of Louisiana Lafayette, USA, E-mail: [radhey.srivastava@louisiana.edu](mailto:radhey.srivastava@louisiana.edu)

We are proud to announce the commencement of the "8th International Conference on Catalysis and Reaction Engineering" which is going to be held during November 16-17, 2020 Lisbon, Portugal, with the theme: "Catalysis and Reaction Engineering Technologies for a Sustainable Future". Euro Catalysis Conference Committee is intended to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The important sessions of the conference are Chemical reaction engineering, catalysis, mass transfer, heat transfer, Polymer science and engineering, material science and engineering, electrochemistry and electrochemical engineering, transport phenomena, Process simulation and many more. Enhance your knowledge and network by meeting experts to exchange and share their experiences on all aspects of Catalysis. For the Conference, only 25 presentations acceptable at the Euro Catalysis Congress 2020 young research forum.

with other young investigators and established senior investigators who are presently working in the big Chemical/Pharmaceutical Companies, who are coming from all over the world.

If you want any further information

### The Eligibility criteria for the YRF Award :

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience
- Presentation must be into scientific sessions of the conference
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author)
- Age limit-Under 35yrs
- All submissions must be in English

[Euro Catalysis](#) provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It's your time to grab the opportunity to join and promote your research article and to facilitate prestigious award in all categories. In this frame, we look forward for your contribution and astonishing dedication to make our Euro Catalysis Congress 2020 more successful. The forum will provide an opportunity for collegial interaction
