Prestigious Award for Young Research's at [Petrochemistry 2020] - Discovering New Exploration in {Petrochemistry} field

{Petrochemistry} Conference Committee is glad to announce “Petrochemistry 2020” during April 15-16, 2020 in London, UK by focus on the theme: “Innovative Mechanization for the Evolution of Petrochemical Engineering”

{Petrochemistry 2020} Conference Committee is intended to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of {Petrochemistry}.

Benefits:

• Young Scientist Award reorganization certificate and memento to the winners
• Our conferences provide best Platform for your research through oral presentations.
• Learn about career improvement with all the latest technologies by networking.
• Young Scientists will get appropriate and timely information by this Forum.
• Platform for collaboration among young researchers for better development.
• Provide an opportunity for research interaction and established senior investigators across the globe in the field
• Share the ideas with both eminent researchers and mentors.
• It’s a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

Eligibility

• Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience
• Presentation must be into scientific sessions of the conference.
• Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author).
• Age limit- Under 35yrs
• All submissions must be in English

{Petrochemistry 2020} provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It’s your time to grab the opportunity to join {Petrochemistry 2020} for promoting your research article and to facilitate prestigious award in all categories. In this fame, we look forward for your contribution and astonishing dedication to make our {Petrochemistry 2020} more successful.
